SCHOOL DEVELOPMENT PLANS ON SHOW

A public exhibition is being held to display plans for the proposed new sports and leisure facilities at The Ecclesbourne School and Meadows playing fields, Duffield.

The exhibition is being held in the Sixth Form Centre at The Ecclesbourne School on: Friday 6 June 2008 from 4pm – 8pm and Saturday 7 June 2008 from 9am – 1pm.

Members of the development team will be on hand at the event to explain the proposals and answer any questions before the planning

application is submitted. All members of the local community are welcome to attend the exhibition during either of these time slots. In a letter to the Duffield

Scene, Derek Stafford, Head of Regeneration and Sustainability at Amber Valley Borough Council, says: "The publication of a number of articles relating to the

proposed developments at Ecclesbourne School has unfortunately led to some confusion over the current status of the planning process."

Duffield Pre-school Open Evening Thursday 19th June 7.30- 9.00 p.m.will give a warm welcome to all parents, prospective parents, previous staff and committee members, to come and see the changes made to the setting.

A new soft play area has enabled us to provide an environment that fosters learning through play both indoors and out.

"We look forward to seeing you there," says Colleen Hardwick

NB: Recently Duffield Playgroup and Meadows 4+ amalgamated and formed the Duffield Pre-school.

Do you play the piano to Grade 6 standard or above? Did you use to play and would like to pick it up again?

Here is your chance. Why not join the newly formed **Duffield Piano Club**, under the direction of pianist Beate Toyka. You can meet other piano players, play in a small,

Village jottings

sympathetic and friendly group, play duets and music on 2 pianos for up to 12 hands...!

You can explore basic improvisation, play scales in a group and try out new pieces. The requirements are fairly good sight reading skills, and a willingness to "have a go" within a group. Beate has run Adult Piano Clubs before and has found that a lot of fun and interest can be generated when pianists move out of solitude and into a group situation!

The Club is aimed at adults and will meet for one and a half to two hours one evening a month at Beate's home from September 2008.

She has two grand pianos in her teaching studio.

You can either contact her via her website www.beates-music.co.uk or ring her on 01332 840517 if you are interested.

After being chosen to represent the North Midlands Area of NAFAS at the Malvern Spring Show the Duffield Flower Group team of Anita Butt, Wyn Silver, and Avis Harrison were thrilled to have gained a Silver Gilt award .

Eleven areas competed to a very high standard and overall it was a very good result for

Duffield Flower Group.

The next meeting is on June 5th at Quarndon Church Hall at 7.15 pm when Kate Russell and Patti Dawson will give a demonstration entitled "Come Into The Garden Maud".

Why not go along as everyone is made very welcome .

Visitors £5.

From page 1

The letter adds: "Officers at Amber Valley Borough Council have recently met representatives of Ecclesbourne School and their advisors as part of pre-application discussions in relation to the school's proposals for development.

"However, I would stress that at this stage no planning applications have been submitted to the Borough Council and any presumptions are therefore totally misplaced.

"Whilst in principle we support any efforts to improve the educational facilities at the School, the granting of any planning permission for development to fund these aspirations is a matter for the Planning Board to determine in accordance with council policies, and will follow our usual planning procedure.

"The Borough Council is committed to ensuring full and open public consultation on any

proposals relating to the School, as and when any formal planning applications are received.

"I hope this clarifies matters and allays any concerns residents may have as to how this matter will progress."

A letter from **Mr. B Marshall**, who lives in Meadow Vale, says: "May I take this opportunity to congratulate the writer of the headline story in the May edition...excellent PR for Ecclesbourne School and

Radleigh.

"Unfortunately not all the residents of the village are of the same opinion.

"Whilst we are pleased to have a good school like Ecclesbourne, there are also two very good junior schools in the village. With all the houses and apartments for sale where is the development going to end?"

"The proposed entrance into the new development would put the young children at The Meadows at great risk."

PLAYGROUND GOING UP... TREE COMING DOWN

There was lots of fun and games as Tony Woodings, the chairman of Duffield Parish Council and his young helpers Emily Warner, Sam Cooke, Daisy Williamson and Sam Hoblyn opened the new playground in Snake Lane and much consternation for drivers as Hazelwood Road was blocked by a tree felled by strong winds.

Jo Pearson, Clinical Hypnotherapist and HypnoBirthing Practitioner has had an exciting and fulfilling time since her Hypnotherapy practice began last year in Ashbourne.

Jo (see picture) feels very passionate about the help she provides. "Amongst other things I help clients with such matters as weight management, confidence, depression, exam nerves and marriage guidance", she says. Jo finds her unique approach using both Hypnotherapy and Counselling helps not only deal with any issues but also lay them to rest. Jo has also recently expanded and now offers a clinic in Derby. Working alongside Anthony

Jacquin, an established Hypnotherapist who has helped more than 5,000 people so far in his career, Jo is one of the few specialist Hypnotherapists in the UK now providing bespoke care from pre-conception through until after your baby is born. Amongst other things, Jo helps clients explore any underlying emotional issues that may be preventing pregnancy.

She also offers safe and non-invasive treatment plans for such matters as morning sickness and sleep problems. Also specialising in HypnoBirthing (hypnosis in childbirth) Jo says, "I believe that many women today want a drug free birth without the need for medical intervention, where they are

in control. HypnoBirthing can be used in conjunction with the great work that the midwifery service off in helping to achieve this, helping reduce pain in childbirth and help the mother keep calm and relaxed during birth reducing the need for intervention".

Jo also supports women after their baby's are born with such matters as stress management, post-natal depression and bonding. Jo

Pearson is based in the East Midlands with practices in Ashbourne and Derby.

DAYTIME SLIMMING IN DUFFIELD

Slimming World are introducing more daytime groups, with the aim of giving more choice to people wanting to lose weight and Duffield has been chosen as one of the sites.

Experienced consultant Janet has opened a morning Slimming World group in the village.

She says "Slimming World members already have lots of choice when it comes to group times and days and have always been able to attend an alternative group when their commitments don't allow them to attend their regular group.

"However, because we all lead busy lives this often means an alternative during the evening is not an option. Slimming World realised that more daytime groups would

mean that even more people could be helped by their fantastic Food Optimising System.

"We give people choices in the way they lose weight because everyone's lifestyle is different, with Slimming World there's no need to feel hungry or deprived.

"There's the Original plan for people who want to fill up on meat, poultry, fish, seafood, fruit and vegetables and there is the Green plan for people who want to fill up on pasta, rice, potatoes, fruit and vegetables.

Slimming World members know that they can eat out, have a takeaway or enjoy a

**Do you want to lose weight but haven't the time to go to a Slimming Group during the evening?
That's now changed...you can do it in the morning...**

couple of glasses of wine and still lose weight, they also know that they will get the help and support they need from their Consultant and other group members.

During Image Therapy, there's no humiliation, we only ever discuss weight changes and never disclose how much a person weighs, even better, members choose their own personal target."

The group is very successful with members having lost 107lb between them in just 7 weeks and Janet can't wait to help the people of Duffield.

"I have been with Slimming World for more than five years and really enjoy watching people transform

before my eyes.

"I just want to motivate and support as many people as possible so they can be who they want to be and do what they want to do, without weight getting in their way."

Now with even more choice, give Slimming World a try. For more details please call Janet on **07795 294792** or log on to **www.slimmingworld.com**

MEADOW PROVIDES 'BIJOU' RESIDENCES FOR DWELLERS

If you haven't been able to go down to The Meadow recently you will not be aware of the fact that we have been able to traditionally manage a section of the hedge by laying it.

This method of encouraging stock proof hedging is sometimes known as "pleaching" and was taught to volunteers by Tim Brooks from Ground-works Derbyshire with the assistance of Jack Pearson who has spent a lot of time hedge laying for The Ecclesbourne Railway Company.

In addition, we have had the rest of the hedge reduced in height to enable volunteers to more easily manage it in future seasons.

We have commenced to thin some areas of the woodland to allow the

larger trees, such as oak and ash, to grow unimpeded.

The faster growing trees – such as silver birch – are regarded as nursery trees which grow quickly and offer shelter to their slower growing neighbours. Once they have done their job, they are "sacrificed": a case of being cruel to be kind. Furthermore, we will now begin to coppice some of the trees – such as the hazel – to restrict their height and create multi-stemmed specimens. By doing this we allow light in to the copses and create greater diversity for flora and fauna.

*Millennium musings
by Rodney Wood*

We have collected much of the wood thinnings and created piles of "brash"

which provide a habitat for a range of animal life.

Hedgehogs will love to hibernate in it, for instance. Smaller mammals and amphibians will love the protection that it offers. Similarly, log piles have been built to offer yet another habitat.

Lots of bijou residences on the meadow then ... without so much as a rent book!

In The Wetland, Mother Nature has been good enough to scatter her seeds far and wide so we had enough young alder trees to build and sink several ships.

Because they would

eventually become unmanageable and invade the ponds these trees have all been grubbed up.

Again, we used volunteer labour.

At the last Meadow Working Party, in November, it was great to see that several people had heard about the work that we were doing and offered their skills and toil.

In the seven years that The Meadow has been in existence we have seen many changes and developments.

We hope that it is becoming a much loved beauty spot that will grow more beautiful and more environmentally useful with passing years. We have been grateful for the support offered by local people and local business.

THANK YOU.

If you pass about ten people walking around Duffield with their fingers and anything else crossed between now and the last week in June you will have just met the Duffield Carnival Committee.

They, and the organisers of the all the events that were cancelled or displaced following last year's downpour are all hoping for a warm, fine week this year.

Last year's Princess, Grace Curtis, will pass her crown to Meadows School pupil, Katie Burke, the 2008 Carnival Princess just after noon at the **Meadows School Summer Fair on Saturday 21st June.** Katie will have Ellie Hardy from the William Gilbert School and Alice Taylor from Meadows as her attendants.

On Saturday there is a welcome addition to the usual week's events with a fund raising evening at the Bishop's House in

*Left to right:
Alice, Katie and Ellie*

King Street in aid of the Derby Mountain Rescue Team. Admission will be £5.50 with under 12's free and there will be a programme of entertainment featuring Duffield Singers and Ilkeston Brass introduced by Radio Derby's Andy Potter. With the cross country run delayed a week, the next event is the **Family Barbecue and Fun Evening at Eyes Meadow on Tuesday 24th June starting at 6.30p.m.** There is no

charge and everyone is welcome.

Wednesday 25th June features the Primary Schools' Sports Spectacular hosted by Meadows School with the infants starting at 6p.m. and the juniors half an hour later.

Duffield Singers return to Ecclesbourne School for their concert on Thursday 26th June after the success of last year's relocation there from the flooded

Parish Hall.

The traditional eve of Carnival Treasure Hunt reverts to its Friday date.

The route has set by last year's winners, *The Old Soaks*, a name that truly reflects the conditions on that night.

The Treasure Hunt will start and finish at O-kra (formerly the Lord Scarsdale) in New Zealand Lane.

Start times are between 6p.m. and 7.30p.m.

Carnival Day, Saturday 28th June, is Katie's big day along with Ellie and Alice when all three ride in style at the head of the procession through Duffield.

It will be interesting to compare the various interpretations of the Medieval theme that appear as the procession makes its way to Eyes Meadow.

Photographer and broadcaster, Ashley Franklin will officially open the Carnival at about 2.30p.m.

Afterwards there will be entertainment by the Derwent Valley Wind Band, Vision School of Dance and Lorna McLean. The main act in the arena will be a return visit from Jez Avery who enthralled us back in 2001 with his skillful display of trick riding on a mountain bike. For 2008 Jez will also show us what he can do with a motorbike. Zozo the clown will be

mingling with the spectators during the afternoon.

Carnival tickets will be available from the usual outlets offering reduced admission prices for advance purchase.

It is hoped that there will be sufficient variety of wholesome food available to entice you to stay on the meadow whilst the stage is set for the evening entertainment that will be led by Shameless Quo who have been invited to return with the concert that had to be cancelled last year.

Local band, Goldrush and vocalist, Lorna McLean, will provide support to Shameless Quo. Admission will be by separate ticket from the Carnival Ticket that can be purchased in advance or on the door.

The Traditional United Church Service will take place at 10.30a.m. on Sunday 29th June in the marquee on the

meadow and the Community Week's events conclude with the Cross Country Run on Monday 30th June.

The Carnival Princess will send the entrants on their way from Meadows School at 7p.m.

The runners will follow the usual course over the Chevin to Farnah Green before turning for home.

Full details of all the events will be given in the Programme that will be delivered to every address in Duffield early in June.

Once again we are indebted to all the local businesses that have sponsored the Carnival by placing an advert in the programme and we encourage residents to support them in return.

The Carnival is organised by a small, dedicated group, working as a team. Because each member will have a particular responsibility for the safe and smooth running of

the event on the day there is a need to find volunteers to act as marshals alongside the procession and to do a spell at the gate collecting tickets and money. If you can spare half an hour or an hour on the afternoon of Saturday 28th June then please contact Derek Cook on 840098.

Finally, a big thank you to the organisers of Little Eaton Carnival for inviting the Duffield Carnival procession to join in its celebrations a week later. This gave Grace and her attendants, Ellen Horner and Elinor Miles, another chance to show off their dresses and also meant that the hours spent building floats didn't go to waste.

The weather can't be as bad as last year, can it? Let's all keep our fingers crossed for perfect weather for all the outdoor events.

ESCAPING TO SOME LOVE IN TAHITI

June is a very busy month for the library.

Storytime continues on the 1st and 3rd Fridays of the month, so come along at 10.30am for stories and simple crafts.

The Derbyshire Literature Festival runs from 1st-14th June.

Tickets for the many events are available at the library or by ringing Call Derbyshire on 08456 058058.

In Duffield we are holding an event for toddlers.

On Monday 9th June from 2-3pm professional dancer Sarah Stanton will be leading a lively session for children under 5 and their carers.

Stories, rhymes, movement, songs and music will all feature.

So please book a ticket as soon as possible if you are interested.

The new Derbyshire Gold Card can now be used as a

library ticket.

The barcode on the back means DVDs, CDS, and books can be borrowed using the Gold Card.

Access to the online library services and our computers is also possible.

So bring along your old library cards for us to update. We have plenty of copies of the Derbyshire Gold magazine in the library free to all Gold Card holders.

The National Year of Reading continues with June having the theme of Reading Escapes.

So in the library we will be highlighting titles allowing us to escape to other worlds and finding something worth escaping to.

Therefore the book of the month really ought to be 'Frangipani' by Celestine Hitiura Vaite; a story of pure escapism set in Tahiti exploring the power of family

love and its abiding truth.

The Traveling Miniature Museum visit was fascinating, so a big thank

you to everyone who came to see what was in the suitcase. The event proved to me you are never too old to learn something new.!

Dear Barrie,
I would be grateful if
through Duffield Scene I
can thank the many people
who have sent me cards. I
have had so many it is
impossible to individually
reply to all the retirement
wishes.

It has been wonderful to
receive so many, especially as
a lot of people included
letters with their cards.

I have come to conclusion
that I should retire every
year!!

Many people have asked what
my plans are for the future.
Until I get through the list of
jobs my wife has given me I
doubt that I will have time for
anything.

But when I do, it will be more
walking, golf, chess,
photography, reading and at
other times being lazy.

Thanks to everyone's
kindness I have had a
wonderful start to retirement.

With many thanks to you all,
Paul O'Flanagan

A doctor says farewell with thanks and a touch of contention

Readers' letters

Dear Barrie Eccleston,
I am so grateful that you are
willing to help me supply
evidence on my
behalf to the Liverpool
County Court Chancery
Business.

My new neighbour of three
years, is claiming he not only
owns the small piece of raised
ground, attached to my
property, that I am trespassing
over it by placing a large
'Plant Pot' on the top of a
paved area, thus causing an
obstruction which precludes
the passage of a pram between
any car parked in the manner
aforesaid and the wall of 70
Town Street.

I placed an old stone
trough/sink to brighten up the
area where once a large
magnolia grew, giving the
cottage its recognised name.

I have lived in Magnolia

Cottage, 70 Town Street, for
over 30 years.

I and I alone have had sole use
of the raised area that
surrounds the front of
mycottage.

I have tended and maintained
it.

It isn't a paved area as such.

The stones came from a WW1
German's grave, the cobbles
from a Devon beach.

This area has formed a part of
the cottage for well over 200
years.

Until 1941 it was surrounded
by railings.

Myself, family, visitors, trades
people, neighbours and
friends of Mrs Redfern at
number 72, have all entered
the passageway through the
well established route, ie,
from the pavement to the 3ft
area that runs between the
raised bed and car parking

space.

Please can you ask older
Duffield residents if they have
any knowledge of Magnolia
Cottage, especially access /
egress to and from the rear of
respective properties
including 72 Town Street, in
the last 70 years.

**Thanking you
Yours sincerely**

BE ON YOUR GUARD AT ALL TIMES

These are topical items I have been informed about by the Belper & District Neighbourhood Watch Support Group and the police.

Distraction burglaries

Distraction burglaries are still occurring. Please be vigilant and careful when answering your door to callers. If you are suspicious of any caller, do not let them in and please call the Police on 0845 123 3333 to report the incident. Police are considering making some areas "No Cold Calling" zones if there is enough evidence of these sorts of problems.

Beware at the cashpoint

There have been several

incidents of cards being taken from individuals at cashpoints and then used to withdraw more cash. This tends to happen when an individual is distracted, but there has also been instances where a gang of four men have threatened to hurt a person if the card and money were not handed over. Please be very careful when withdrawing cash from cashpoints. Make sure no-one can see your PIN as you enter it and that they are not standing close enough to read over your shoulder. Be extra careful at night if it is dark and there are only a few people about.

Scams everywhere?

Every time you put on the news or read a

newspaper these days, another scam is being reported and there are so many nowadays, it is difficult to know who to believe. The most prevalent seem to be telephone calls that try to get you to give personal details or ask you to press a key on your telephone keypad. Please do not do either and make sure that you report these to the Police.

Other scams include letters that suggest you have won a great deal of money or a holiday. Once again, do not be fooled by these as if they appear too good to be true, they probably are. Lastly, watch out for email scams that try to get you to open links to other websites.

These can result in you innocently giving the scammer access to all your details on your computer. Never open an email from someone you do not know and make sure you have the

most recent virus software running daily checks on your system.

Personal details

This is a simple reminder to be aware when inputting any personal details to any sites on the internet for example banking. There are sites that appear to be real but are actually attempts to gain your details for fraudulent purposes. If you want to use safe official sites for internet banking always go to their site, rather than using links that may have come via unsolicited email.

DUFFIELD CRICKETERS IMPROVED FORM.

There's a smile of the faces of Duffield cricketers at the start of the month as the teams start to show their true mettle after a slowish start.

With popular Australian batsman Ben Evans in the runs - he hit his maiden century for the Club against Ambergate - and skipper Paul Bakel scoring well, the points have been rolling in.

With the odd exception, the younger first eleven are now much sharper in the field, the bowling has been much tighter and penetrative and all rounders Jo Balraj and Philip Jordan are performing with both bat and ball.

Sides in Division Two North are looking at Duffield with more than a little respect and there is a

tremendous team spirit running through the Club.

The latest victory away at Belper Amateurs saw Mark Antill pegging back the home side with 3 for 49 in his ten overs as Belper only reached 168 for 6.

Skipper Bakel's 67 with great support from Evans (39) and Balraj 36 not out saw Duffield to a six wicket victory.

Thanks to an excellent 89 from in form batsman Paul Lynn, the 2nd XI gained their second victory of the season, winning by four wickets as they passed Alkveston and Boulton's 211 for 6.

Youngsters are doing well in the 3rd team and as chairman Gerry Bygraves, says: "The Club is doing well both on the field and off it. Social events have been well supported and things are on the up."
